## Campbell Middle School Foundation (CMSF) Teacher Grant Program

The CMSF is a nonprofit organization that was founded in 2014 to raise funds beyond those currently provided by the Cobb County School District (CCSD) to enrich each student’s academic experience. The Teacher Grant Program is one way the Foundation can support this.

### Purpose of Grant Program

The Foundation will award grants to support faculty who have a unique idea for a project or equipment that will support and/or supplement the classroom curriculum. **Most submission are from individual teachers, but we also encourage team submissions by subject area or across multiple subject area.**

Many successful grantees have designed creative projects or requested equipment or resources to use with the IB curriculum to that tap in to the natural curiosity of their students and encourage students to make practical connections between their studies and the real world. Examples of past projects approved include:

- Funding for **Choices – Scholastic Magazines** for the 6<sup>th</sup> and 7<sup>th</sup> grade gifted resource classes to enhance SEL (Social Emotional Learning).
- Funding for technology (Chrome books) to create a science and innovation tech lab for in class room learning stations to be used by five 8<sup>th</sup> grade classes, or approximately 150 students.
- Funding for a web domain, camera kit and Google Maps Pro Plugin to create a virtual tour of each magnet school in Cobb County. To create and maintain this be, a collaboration with the technology classes at Campbell, to provide real-world experience to the students.
