

2022-2023 Corporate Sponsorship Form

The mission of the Campbell Middle School Foundation (CMSF) is to partner with the local community to help enrich the lives of all Campbell Middle School (CMS) students and faculty by funding innovative learning experiences. Campbell Middle School is currently the only International Baccalaureate (IB) middle school in Cobb County. The IB curriculum encourages students to make connections between their studies and the real world.

Our goal is to raise money to enable the foundation to continue the tradition of awarding CMS teachers grants that will support innovative and passionate teaching. Additionally, this year the foundation is focused on redesigning two outdoor courtyard areas on the school property - one outdoor learning classroom, and one outdoor lunch space for students. Thank you in advance for your contribution towards the continuous enhancement of our school.
